

Proprietors Philosophy

The wine must be a true reflection of our terroir created from our own vineyards. Nurtured, produced, matured and bottled with minimal interference on the Estate.

Lourens Van Der Westhuizen

Soil:

Weathered shale, limestone rich, Calcrete

Climate:

Semi-Arid growing conditions
Average Annual Rainfall = 240mm

SINGLE VINEYARD WINE

ARENDSIG

SINGLE VINEYARD WINE

1000 Vines Viognier 2022

NOSE:

Notes of spring blossom, potpourri, jasmine, stonefruit, with hints of spice and fresh citrus.

PALATE:

Full bodied white wine with beautiful length and palate weight.

VINIFICATION:

Early morning pick by hand @ 23 Brix
De-stemmed, crushed through mash cooler @ 5°C
Juice separated from skins for spontaneous settling, but returned onto skins for spontaneous skin fermentation.
Juice drained off skins to complete last 50% fermentation in neutral French oak barrels
Malolactic fermentation took place
10 months matured on the lees in neutral French Oak before stabilisation and bottling
